Fall 2024

Dear Friend,

We are once again asking the residents and property owners of Wharton Township to help share the responsibilities of fire protection and other emergency services provided by the Farmington Volunteer Fire Department.

We are pleased to announce on June 14th we took delivery of our new Engine 1, a 2024 Freightliner Pumper Tanker assembled by Rosenbauer. You can find pictures of this beautiful truck on our Facebook page along with other activities taking place at the fire department.

The 57th Annual Mountain Area Fair was held in June, the fair continues to grow, adding new events and activities. The gun bashes and other fund-raising events have continued and are still extremely popular.

In 2023, the fire department answered a total of 251 calls. They included 69 vehicle accidents; 41 automatic fire alarms; 36 medic assists; 3 brush fire; 18 trees down, 5 landing zones; 9 structure fires; 4 public service, 11 wires down; 7 vehicle fires; 1 CO detector; 3 others; 44 calls assisting other fire companies.

We have added a QR code to the bottom of this letter for those of you that have asked for a way to donate by using a credit card, Apple Pay or Google Pay. The QR code will link you directly with our donation site. We thank you in advance for your much needed donations.

Thanks for your support.

Joe Jacaruso
President

Kevin Rohlf
Fund Drive Chairman
